

PE & SPORT PREMIUM REPORT 2015-16

BACKGROUND

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. The Government is spending over £450 million on this funding over the 3 academic years 2013 to 2014, 2014 to 2015 and 2015 to 2016.

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. Schools with 17 or more eligible pupils receive £8,000 and an additional payment of £5 per pupil.

Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best of way using of the money.
